CHORUS

We've got an all out camp out party going on
Down at the river on the nine mile run
Stoke up the fire gonna have some fun
Down at the river on the nine mile run
Take a left down the lane at Splitters Creek
We've been planning this shindig and waiting all week
Got the Kingswood loaded dog's in the back
Everybody's heading down the Bungowanah Track

CHORUS

Splashing in the river swinging on a rope
Dancin' on the bank to the radio
Crossin' up the dirt bikes hanging out of cars

Blankets by the bonfire under the stars

CHORUS

Splashing in the river swinging on a rope
Dancin' on the bank to the radio
Crossin' up the dirt bikes hanging out of cars
Blankets by the bonfire under the stars

CHORUS

Stoke up the fire gonna have some fun
Down at the river on the nine mile run
Down at the river on the nine mile run
