Tallulah Send A Car For Me
c.kerripowerssongs BMI

Can't wear my alligator boots in church
Can't wear my alligator boots in church
Preacher says all they ever do is drag in dirt
I think I got some dirt, on his clean white shirt

Roll up all my change
Suitcase, pawn shop ring
I'm waiting til' Tallulah sends a car for me

I love lighting firecrackers after dark
I love lighting firecrackers after dark
Sun comes sneaking up behind me in the parking lot
Gotta kill the sparks, so I don't get caught

Roll up all my change

Suitcase, pawn shop ring
I'm waiting til' Tallulah sends a car for me

God's golden chariot, the good Lord's lauriat wants me
but I'm waiting til' Tallulah sends a car for me

Don't send a dozen roses and a candy gram
Don't send a dozen roses and a candy gram
I'll go out picking daisies with my own two hands
Do the best I can, Don't want your candy gram

Roll up all my change
Suitcase, pawn shop ring
I'm waiting til' Tallulah sends a car for me
Halleluiah, Tallulah send a car for me
