I'm tripping down the tracks watching dead leaves spin
My bones fall to ashes and the mist is rolling in
Lifting off the rails and breathing on my shoes
I'm just trying to make my way to you

Drag my soul to Galilee
Faith find me

Are you a diamond in that coal car rusting in the field

Did you lay that lucky penny flat on cold timbered steel
Do you shimmer on the murky water, traced by the sun
Down to the mouth of the river where desolation runs

Spill my soul into the sea
Faith find me

I'm losing ground -- Let mercy's light abound

Call my soul to Galilee
Faith find me
