Any way you wanna go  
Any way you wanna go

Boy you know exactly how you get to me  
It doesn't take a genius (Any one here can see)  
Waiting for a reason any reason to follow you  
Any where you want me to

I need your love, All you can give  
Right here and now, I can't resist  
You bring me joy, oh boy, oh boy  
I love you so you gotta know  
Any where you wanna

Any way you wanna go  
Any where you wanna go  
Any way you wanna go  
Where we go, it doesn't matter,  
just we'll always be together

If I've heard it once I've heard it a million times  
Boy you should be careful  
(If you know what is good for you)  
You've never given me a reason to ask why  
Baby I'm so glad you're mine

I need your love, All you can give  
Right here and now, I can't resist  
You bring me joy, oh boy, oh boy  
I love you so you gotta know  
Any where you wanna go

Any way you wanna go  
Any where you wanna go  
Any way you wanna go  
Where we go, it doesn't matter,  
just we'll always be together

Tell me where you wanna go where you wanna go

No matter where we go

I'm gonna be there for sure  
No matter, have for straight to you, I'll be there

Any way you wanna go  
Any way you wanna go  
Any way you wanna go  
I knew it, no it doesn't matter

Any way you wanna go  
It's the way I'm feeling  
Any way you wanna go  
Where we go, it doesn't matter,  
just we'll always be together

I only wanna be with ya

No matter where we go  
I'm gonna be there for sure  
No matter, have for straight to you, I'll be there

Any way you wanna go  
Any way you wanna go
