If I come running when you call
Will you be willing to give your all
If you can accept the love I'm givin'
Can you return the love you're getting
Can you give what I'm givin'
Can you give what I'm givin'
If you can accept the love I'm givin'
Can you return the love

Baby I saw you from a far
and you wanted my attention
Baby, I'm not afraid to mention No,
ya sent the signals one by one
Oh I just did not respond
Suga, ya know I got it goin' on

I remember when your love was so good
Whisperin' sweet things in my ear
Tellin' me all the things I wanna hear
But now you're gone
and all is said and done
You used to be my No.1
I'm gonna find another one

If I come running when you call
Will you be willing to give your all
If you can accept the love I'm givin'
Can you return the love you're getting
Can you give what I'm givin'
Can you give what I'm givin'
If you can accept the love I'm givin'
Can you return the love

Boy, ya didn't understand
you tried to play me out
Didn't know what true love was all about
Suga, oh ya just don't know

The hardest thing for me to do
Was tell you I was through with you, yeah.

I remember when your love was so good
Whisperin' sweet things in my ear
Tellin' me all the things I wanna hear
But now you're gone
and all is said and done
You used to be my No.1
I'm gonna find another one

If I come running when you call
Will you be willing to give your all
If you can accept the love I'm givin'
Can you return the love you're getting
Can you give what I'm givin'
Can you give what I'm givin'
If you can accept the love I'm givin'
Can you return the love

I remember when your love was so good
Whisperin' sweet things in my ear
Tellin' me all the things I wanna hear
But now you're gone
and all is said and done
You used to be my No.1
I'm gonna find another one

If I come running when you call
Will you be willing to give your all
If you can accept the love I'm givin'
Can you return the love you're getting
Can you give what I'm givin'
Can you give what I'm givin'
If you can accept the love I'm givin'
Can you return the love
