So many ways that love can tear away your faith
So many times that it deserts me
And I will bless the day When I have found my place
Until then this life just hurts me

But I know in the end
I will be turned away no more
Yes I know any day now
I will be received

Is there a chance that I will live to see the day
When promises will stay unbroken
So many fires rage deep inside my soul
So many feelings left unspoken

But I know in the end
I will be turned away no more
Yes I know any day now
I will be

And it seems oh so far away
When I want to touch my soul's salvation
And I know there's a state of grace
And you can reach it if you hold on

I will be received
But I know in the end
I will be turned away no more
Yes I know any day now
I will be received
