Keep givin' me keep givin'
Keep givin' me keep givin'
Keep givin' me keep givin' me keep givin' me...

Keep givin' me your love I need it
Right from the start to the end of the day
Keep givin' me your love I want it
I won't be the one to give it away

I wanna show you how much I love you
Cause you're the one that I need
I'm gonna tell you that I adore you
And that you make me feel free
The next time we get together
We'll make love for a long time
Cause you always make me feel like
the pleasure is all mine

You should know that you're the man of my dreams
You take me to places I've never been
And you don't need to change a thing just

Keep givin' me your love I need it
Right from the start to the end of the day
Keep givin' me your love I want it
I won't be the one to give it away

I am so glad that we are together
I like it when you're around
You work so hard boy, but now it's our time
to share the love that we've found

I only hope that the lovin' never ends
I cherish each moment that we spend
I love you endlessly baby

Keep givin' me your love I need it
Right from the start to the end of the day
Keep givin' me your love I want it
I won't be the one to give it away
Keep givin' me your love I need it

Right from the start to the end of the day
Keep givin' me your love I want it
I won't be the one to give it away

Keep givin' me, Keep on givin' me,
Keep givin' me, Keep on givin' me,
Keep on, Keep on, Keep on givin' givin'
Keep on, Keep on, Keep on givin' givin'

You should know that you're the man of my dreams
You take me to places I've never been
And you don't need to change a thing just

Keep givin' me your love I need it
Right from the start to the end of the day
Keep givin' me your love I want it
I won't be the one to give it away
Keep givin' me your love I need it
Right from the start to the end of the day
Keep givin' me your love I want it
I won't be the one to give it away

I need it, I want it,
I love when you give it to me, givin' it givin' it givin' it to
me
Keep on givin' me, Keep on givin' me
Keep on givin' me, Keep on givin' me
Keep on givin' me, Keep on givin' me
keep on, keep on,

Keep givin' me your love I need it
Right from the start to the end of the day
Keep givin' me your love I want it
I won't be the one to give it away

We'll make love for a long time
We'll make love for a long time
I wanna show you how much I love you

Keep givin' me keep givin'
Keep givin' me keep givin'
Keep givin' me keep givin' me keep givin' me...

Keep givin' me your love I need it
Right from the start to the end of the day
Keep givin' me your love I want it
I won't be the one to give it away
Keep givin' me your love
