You should know the way I feel
I thought you were all alone
Cause you told me that you missed me on the
telephone
Boy I can't explain the way I feel right now

BRIDGE:

You and I have been together for quite some time
I never knew you were wrong all along
All I wanna know is

CHORUS:

Why is it that I'm the last know?
Why is it that I'm the last know?

I have noticed things have changed
Cause the time we shared together's slowly fading
away
I didn't think that you would do this
How could you have been so cold?
Thought I'd be the first to know

BRIDGE

CHORUS

Why oh why did I live a lie
Thought I'd be the only one
Boy you found another one
Cause the love shared today
I thought forever would remain
You were with somebody else
You were thinkin' of yourself
BRIDGE

Why oh why oh why did I
Even have to live a lie
How could you have been so cold?
Thought I'd be the first to know

Why oh why oh why did I
Even have to live a lie

How could you have been so cold?
Why am I the last to know?

CHORUS

You came into my life
You seemed like Mr. Right
What you did to me baby,
See, you're no good for me
Guess you really didn't give a damn
I thought you were my man
What you did to me baby,
See, you're no good for me

I could never imagine
You would be with someone else
And I would be alone
