There was a time in my life
When I thought that I would die
If I didn't have you
Couldn't have you along

You were a sweet song to me
But as far as I could see
You were more than willing
To spread your music around

(CHORUS)

Part time love with a full time man
Never gonna be worked out
Full time dreams with a part time plan
It ain't what love's about
Part time love just don't work out
With a full time man

It took me too many years
To get over all those fears
Just to see it happen
Let it happen again

But you may talk a different game
I can see you're still the same
That I won't put up with the things
You did back then

(CHORUS) 3X
