the biggest thing  
to ever hit this town  
was a flood of 53 and most folk would agree but some  
might argue  
it was a girl name jane  
yea the hurrican of 68 that nearly blew this town away  
but if you ask me  
id have to say  
yea the biggest thing that ever hit this town was the  
long hair boy that came around  
and a thunder bird that stand wild  
he got here just in time to be every where ive never  
been  
just the kind of trouble ive been dieing to get in  
what else could i do  
the biggest thing  
to ever hit this town  
for me was you  
the biggest thing  
to ever hit this town  
said baby dont hold on to me my life is like a tumble  
weed and it keeps rolin  
yea cant slow down  
i guess those deams appeals couldnt fit inside one  
lane streets an two trafic lights  
to this day ive never been the same  
yea the biggest thing that ever hit this town was a long  
hair boy that came around  
and a thunder bird that stand wild and every now and  
then one flys by  
and just like that im there again the breeze feels like  
your breath upon my skin  
yea baby if you hold true  
the biggest thing to ever hit this town the  
yea biggest thing that ever hit this town wass a long  
hair boy that came around a thunder bird that stand  
wild  
he got here just in time to be every where ive never  
been  
just the kind of trouble ive been dieing to get in  
what else could i do  
the biggest thing to ever hit this town

for me was you  
the biggest thing was you
