forty winks in the lobby  
make mine a G&T  
then to my favourite hobby  
searching for an enemy  
here in your paper houses  
stretching for miles and miles  
old men in stripey trousers  
rule the world with plastic smiles  
good or bad, like it or not  
it's the only one we've got  
i won't let the sun go down on me  
i won't let the sun go down  
mother nature isn't in it  
three hundred million years  
goodbye in just a minute  
gone forever, no more tears  
pinball man, power glutton  
vacuum inside his head  
forefinger on the button  
is he blue or is he red?  
break your silence if you would  
before the sun goes down for good  
i won't let the sun go down on me  
i won't let the sun go down
