[Skull Duggery]

Uh, what's happenin Mia baby?

It's your nigga Skull Duggery.

Me and you together, we bout to tell em about the set up and the trap.

Feel me.

I'm the evolution of the Lord, the Lord made me in his own image

What, I'm gonna ball never fall

See, I'm tryin to elevate the mind rate

I'm a man, I'm tired of this shit, I'm tryin to get some ends in this situation that I'm in

Black women don't even know a black man

They gonna make it from am to am, cause we hustlin

Tryin to do it but the police they are bustin in

It's just a set up

Chorus

It's a set up, a trap

That's why we act the way we act

They see us in Lexuses, Town houses, Benzes and

Navs

Mama Mia, what you think of that

[Mia X]

Naaah, they don't like that x2

[Mia X]

I'm all by myself tryin to raise my family

Knowing wasnt easy being both mommy and daddy

But I got down on my knees, and I prayed father please

Lift this weight up off my shoulders, whey them devils

tryin to hold us down

Cause they wanna playa haters crown since the beginning

Travel on gods earth with the intention of sinning

Spilling innocent blood and conquering all the land

But most of all trying to kill the black women and man

Seperation keeps the household in disarray

That's been in effect since the days of slavery

Now all my sisters tryin to hold thier head

And all my brothers locked down tryin to count thier
days
And all our babies wonderin around tryin to find thier
way
And everybodys gotta hustle cause we tryin to get paid
But for every cheddar knocked there's a road block
When it's goin stop, y'all we gotta keep fightin for the
top
I want the pot of gold and the rainbow, I'm lettin my
people know
Hold your ground firm through the setup don't let go

Chorus x2

[Skull Duggery]

Another black man strugglin, it's somethin strange or
I'm wonderin
To me, how a black man can kill another black on these
city streets
I imagine, how you do it, will you kill me
Feel me, I'm not scared, check it
Do you close your eyes when you scream
Do you hollar up the hallway, I'm comin nigga
It's somethin, I wonder how you play hard
Makin coke and heroin substance, yo God
Now check it, little girls see you smokin, the boys
wanna be you
Why you wanna tell this shit to me, what you wanna do
I see niggas like you every day
Fallin prey to your own way, it's just a setup

Chorus x2

[Skull Duggery]

Know what I mean?
It's like that.
y'all better watch y'all back.
Them chumps aint playin.
You know who I'm talkin about, you know what the real
is.
Ya feel me.
It's a trap baby.
Mia what you tell em.

[Mia X]

It's a trap y'all, it's a trap y'all
I said it's a trap y'all, It's a trap y'all
It's a trap y'all, it's a trap y'all
You better watch them, you better watch them
They don't like that
It's a trap y'all, it's a trap y'all

It's a trap y'all, it's a trap y'all
I'm tellin y'all bout the setup
It's a trap y'all, it's a trap y'all
They don't like that, they don't like that
