It's 7 in the morning

You were rolling in the cash  
You were rolling in bitches  
Yeah, I was rolling in my Lincoln  
I was a shitty waitress  
And boy, you kinda had me thinkin'  
You were making me famous  
And I was getting cozy with the thought of giving you  
kisses.

I was a fresh 18  
(I'm bein' such a good girl)  
(Get into my world)  
You're makin' me phat beats  
You're sayin' that you think I got star quality.

Got you stuck, stuck in my head  
(Stuck in my head)  
You're playing like a song in the back of my head  
(Stuck in my head)  
How'd you get stuck, stuck, stuck in my head  
(Stuck in my head)  
Stuck like a song in the back of my head  
It's 7 in the mornin'.

Oh, it's 7 in the mornin'  
And I'm not even tired  
You're voice is spinnin'  
Screwin' with my mind  
Boy, you've got me wired  
Oh, Jimmy put your hands all over me  
Like your synthesizer  
I got this nasty craving  
Need a shot of your tranquilizer.

I was a fresh 18  
(I'm bein' such a good girl)  
You saw me while I sleep  
(Get into my world)  
You're makin' me phat beats  
(Oh God look at him)

You're sayin' that you think I got star quality.

Got you stuck, stuck in my head

(Stuck in my head)

You're playing like a song in the back of my head

(Stuck in my head)

How'd you get stuck, stuck, stuck in my head

(Stuck in my head)

Stuck like a song in the back of my head

It's 7 in the mornin'.

I don't know what's wrong

I'm just not tired

And boy I need a tranquilizer

I want you to come over

Come get inspired

And play me like your synthesizer.

(Play me like your synthesizer)

I was a fresh 18

(I'm bein' such a good girl)

You saw me while I sleep

(Get into my world)

You're makin' me phat beats

(Oh, God look at him)

You're sayin' that you think I got star quality.

Got you stuck, stuck in my head

(Stuck in my head)

You're playing like a song in the back of my head

(Stuck in my head)

How'd you get stuck, stuck, stuck in my head

(Stuck in my head)

Stuck like a song in the back of my head

It's 7 in the mornin'.

Got you stuck, stuck in my head

(Stuck in my head)

You're playing like a song in the back of my head

(Stuck in my head)

How'd you get stuck, stuck, stuck in my head

(Stuck in my head)

Stuck like a song in the back of my head.
