i did it.
i did it, but i'm sorry.
well, i'm really not that sorry.
why are you staring at me like that?
stop lookin at me like that!
okay, i did it. but i'm sorry.
but.. i'm really not. well maybe, it's like..
it's not you, it's just me.
you know i love you, baby.

he's just so tempting.
he's addicting.
i'm like an act, i can't help it. i keep goin back.

i'm a bad bad girl, i'd kiss that boy again.
he does things to me that i just can't explain
yeah, sure. i know better. promised you i'd quit
plese forgive me baby, for i have sinned.

yeah. so i did it,
but i'm sorry. well not.. listen. here's my story.
it's just surfaced, it's so silly. he's so sexy
but, that's all really!
see, the first time that i met him.
he was taken. so i took him.
ever since then, when i see him..
i try so hard to keep my distance but.....
he's just so tempting.
he's addicting.
i'm like an act, i can't help it. i keep goin back.

im a bad bad girl, i'd kiss that boy again.
he does things to me that i just can't explain
yeah, sure. i know better. promised you i'd quit
plese forgive me baby, for i have..

i'm so sorry.
i'm not sorry.
i say i am,
but really..
well..

i'm a bad bad girl, i'd kiss that boy again.
he does things to me that i just can't explain
yeah, sure. i know better. promised you i'd quit
please forgive me baby, that's just who i am.

i'm a bad bad girl, i'd kiss that boy again.
he does things to me that i just can't explain
yeah, sure. i know better. promised you i'd quit
please forgive me baby, for i have..

that's just who i am
i'm a bad bad girl.
