Verse 1 :

Don't say you don't remember last night  
At the party all your friends were there  
You said you really liked my hair  
You asked me wanna go for a walk  
Where we could find a quite place to talk

I said  
Well whatcha want to talk about?  
Then you kissed me  
On the mouth

Chours:

Do you have a case of amnesia?  
You look the other way  
Every time that I see ya  
Ya actin' like you don't even know my name  
Hey!  
Whatcha ya game?  
Whatcha ya play?  
Why you wanna be that way?

Like ya have amnesia  
Amnesia

Verse 2:

Hangin out at the mall today  
You saw me there don't even lie  
But you walked right by  
Don't ya remember how you held my hand  
Said you couldn't wait to do it, again

Then you drove me  
To my house  
And ya kissed me  
On the mouth!

Chours:

Do you have a case of amnesia?  
You look the other way  
Every time that I see ya  
Ya actin' like you don't even know my name  
Hey!

Whatcha ya game?  
Whatcha ya play?  
Why you wanna be that way?

Like ya have amnesia  
Amnesia

Verse:

If that's the way you feel  
(that's the way you feel)  
It's really no big deal  
(really no big deal)  
You can do  
(you can do)  
Whatcha wanna do,  
Paradoxically  
The next time you come for me

I won't remember no!  
I won't remember you  
You'll be singin

Do you have a case of amnesia  
Do you have amnesia?  
I'll have ya singin boy  
I'll have ya singin  
Do you have a kiss of amnesia  
Every time I see ya

Chorus:

Do you have a case of amnesia?  
You look the other way  
Every time that I see ya  
Ya actin' like you don't even know my name  
Hey!  
Whatcha ya game?  
Whatcha ya play?  
Why you wanna be that way?

Like ya have amnesia  
Amnesia  
Amnesia
