You wanna lift me off my feet, parakeet
You got the crazy cream o' wheat, heatin' up my seat
And everytime you turn to leave, boy it's killin' me
That bonfire that you built in me is throwin' heat
I got a funny feelin' that your underneath my skin
The way your snappin' and zappin' it to my slim and jim
You think you know me forever, like we be next to kin
But we just met me in the bathroom in the basement

{Chorus}

You got that boom boom thing that makes my body
bang
Got that boom boom thing (I got that fire)
Turn that boom box bass right up and in my face
Gimme boom boom bang (I got that f-f-fire)
Boy your boom boom thing, just like a boomerang
Drives the girls insane (I got that fire)
Watch your boom boom bass, runnin' through my veins
Gimme boom boom bang (I got that f-f-fire)

[Verse 2]

You try to tell that you're Biggie's second cousins
brother
But I don't care cause all I wanna makes' an album
cover
That promise land that you be tryna land is
undiscovered
You smell that fire, baby, that's cause we be burnin'
rubber
Up on the four-five, skiddin' on the one-oh-one
We sixty-ninen' on the sixty-six across the coun-
Trees and autumn leaves, kneelin' right before the sun
And when the night and moon are deep another day's
begun

Boom boom bang, b-boom bang, bang
Boom boom bang, boom
(I got that fire)

{Chorus}

You got that boom boom thing that makes my body
bang

Got that boom boom thing (I got that fire)
Turn that boom box space right up and in my face
Gimme boom boom bang (I got that f-f-fire)
Boy your boom boom thing, just like a boomerang
Drives the girls insane (I got that fire)
Got your boom boom base, were runnin' through my
veins
Gimme boom boom bang (I got that f-f-fire)

[Rap Solo]

Steak n' shakin'
shrimp and biscuits
You got a question, ask my mistress
I bought a coat and then you fit this
Swallow the truth and make you shitless
House of the mouse, don't try to flip this
Rolled on the tonsils, eat with quickness
Kesha's the best and you can't touch this
Cam & The Routang bring that ruckess

[Rapper] I know you wanna ride the camel till its pocket
wing (me)

[Kesha] Nah boy, I'm sharper than a drop inside a
cactus leaf

[Rapper] You tryna to front and tell me that I don't
provide the boom?

[Kesha] Nah boy, I'm sayin' that I bring it hard so make
the room

{Chorus}

You got that boom boom thing that makes my body
bang
Got that boom boom thing (I got that fire)
Turn that boom box space right up and in my face
Gimme boom boom bang (I got that f-f-fire)
Boy your boom boom thing, just like a boomerang
Drives the girls insane (I got that fire)
Got your boom boom base, were runnin' through my
veins
Gimme boom boom bang (I got that fire)

You got that boom boom thing that makes my body
bang
Got that boom boom thing (I got that fire)
Turn that boom box space right up and in my face
Gimme boom boom bang (I got that f-f-fire)
Boy your boom boom thing, just like a boomerang
Drives the girls insane (I got that fire)
Got your boom boom base, were runnin' through my
veins
Gimme boom boom bang
