It was a full moon  
You got up in my face,  
You ain't from around  
Here boy are you  
Your digging your own grave  
You don't know the pistols  
I've got sweetheart  
You don't know how many cowboys  
I've shot, I've Shot

Got a bullet with your  
Name on it boy (x2)

See you waiting in the  
Back of a fire  
Do you wanna dance,  
Do you really wanna dance

Do you wanna dance,  
Do you really wanna dance  
Are you gonna draw  
Are you gonna be a man

Do you wanna dance

Do you really wanna dance(x2)

Got a bullet with your  
Name on it boy (x2)

See you waiting in the  
Back of a fire  
Do you wanna dance,  
Do you really wanna dance

Do you wanna dance,  
Do you really wanna dance

Are you gonna draw  
Are you gonna be a man

Do you wanna dance  
Do you really wanna (x2)

All of this sudden luck

My eyes

The tumble weed saloon  
The full moon...

Into the wild west we lied
