My, my
My butterscotch, butterscotch
My butterscotch, butterscotch

Pop rocks, lemon drops, rollin' in my Tee
tops sugar rush, touch the stars

Dry eyes, de-light, dancin' by the light, bright
Watch us how we break some hearts

So grab your gamma rays
Come to my masquerade
Its like a man parade
And now, 1 2 3, oh

[Chorus]
Boys all want my butterscotch
Lickin' their lips 'cause its top notch
No other bitch got what I got
My butterscotch, butterscotch
Boys from Memphis to Bangkok
Try to get keys to my candy shop
Linin' up 'round the block
My butterscotch, butterscotch

Chase it
Watch me how I make it
Don't you wanna taste it
Taste it
My butterscotch, butterscotch
Wasted
Watch me how I shake it
Don't you wanna taste it
Taste it
My butterscotch, butterscotch

My butterscotch, butterscotch

Tasers, lasers, alien invaders
Tell me that I'm out of this world
Casbah, so hot, burnin' down the booze watch,
No money can shut up this girl

So grab your gamma rays
Get with the masquerade
Bring on the man parade
And now, 1 2 3, oh

[Chorus]

Boys all want my butterscotch
Lickin' their lips 'cause its top notch
No other bitch got what I got
My butterscotch, butterscotch

Boys from Memphis to Bangkok
Try to get keys to my candy shop
Linin' up 'round the block
My butterscotch, butterscotch

Chase it
Watch me how I make it
Don't you wanna taste it
Taste it
My butterscotch, butterscotch
Wasted
Watch me how I shake it
Don't you wanna taste it
Taste it
My butterscotch, butterscotch

Boy, you're game is pre-historic
Scripted like you're Katie Couric
Girl McCormick, you're a tourist
Got me bored, so heres a chorus

Chase it, chase it
Taste it, taste it, taste it

[Chorus]

Oh, boys all want my butterscotch
Lickin' their lips 'cause its top notch
Its top notch, its top notch
Their lickin' their lips 'cause its top notch

Boys all want my butterscotch
Lickin' their lips 'cause its top notch
No other bitch got what I got
My butterscotch, butterscotch
Boys from Memphis to Bangkok
Try to get keys to my candy shop
Linin' up 'round the block
My butterscotch, butterscotch

Chase it
Watch me how I make it
Don't you wanna taste it
Taste it
My butterscotch, butterscotch
Wasted
Watch me how I shake it
Don't you wanna taste it
Taste it
My butterscotch, butterscotch

My butterscotch, butterscotch
My butterscotch, butterscotch
