Ummm
Baby
Umm
Baby

You change my mind
Like every single time
Your so bad
Makes me wanna come back
I make up what U lack
I'm just to into u
I aint actin right
When your around I wanna fight
(ummm baby)

Oh
Love
Hate
Me
And You!
Make me change my mind
Oh
You Make me
You Make me
Change, Change My Mind
All, All the time
(Umm baby, Umm Baby)

Take a step back
Get out of my face
I just wanna kick your ass!
Cause your a disgrace
But I love you any way
Which makes me sick!
Thats what makes meee ticked!
(umm ba-baby)

Oh
Love
Hate
Me
And You!

Make me change my mind
Oh
You Make me
You Make me
Change, Change My Mind
All, All the time
(Umm baby, Umm Baby)

If your gonna be with me
Ill make you see
That im not easy to please
So fucking worship me
Now get on your knees!!
(Oh Yeah baby) *kiss kiss

Oh
Love
Hate
Me
And You!
Make me change my mind
Oh
You Make me
You Make me
Change, Change My Mind
All, All the time
(Umm baby, Umm Baby)
