"Crank Me Up"

Th-Th-This beat is hypnotic
I wanna ride like a shofa
The sound of zonic's
Controlling me just like a rova
I go bionic, so D-D-DJ put it on
I'm losing logic and cruising deeper in the zone

It's so cinematic
Charismatic

G-Got me froze up

This psychopathic
Beat is something

I need a dose of
I'm systematic
Mo-Moving every single bone
There's no mechanic
That can't understand what I'm on

Let's crank me up {crank me up}
Until the walls cave in
Crank me up {Crank me up}
Put the record on spin
Cause I am ready to party
Gonna get my girls and get naughty
Crank me up {Crank me up}
Until the walls cave in
Just crank me up
