(Verse 1)

I was looking lost, it was cold outside
the whiskey rocks, how you caught my eye
My red lips painted, just got them black
I needed something to bring me back
You knew the play and we danced all night
But something wasn't right

(Chorus)

So I'll see you next Tuesday
If I ever get desperate
Or I'm so beyond faded
So just said I'll see you next Tuesday
Kinda nice how this morning I would sit around waiting
And I'm not just being cold I'm just watching you
pretend
Like your heart is on your sleeve
When I know you have a girlfriend
I'll see you next Tuesday
Oh oh, oh oh, oh (2x)

(Verse 2)

You won't call and you won't admit
The lies you spin for your power trip I just can't take it
seriously
When all you send is a text to me
So I'll be gone when the morning comes
Let's not pretend it's love

[CHORUS]

(Verse 3)

I don't want anything from this
I got your number, don't call me, I'll call you if I need a
hit
Ooohhh

So I'll see you next Tuesday (I'll see you next Tuesday)

[CHORUS]

Tuesday...
Oh oh, oh oh
Tuesday...
I'll see you next Tuesday
Oh oh, oh oh
Tuesday...
I'll see you next Tuesday
