Turn this shit on!
Turn it on, I am ready,
Cool, I can keep it steady
Burn it up, let's get naughty
Shut your mouth, let's talk with the bodies

Music comes... dance all night, don't say a thing
Just hush, hush, hush, hush, hush
... sound,... let the music take us over
Just hush, hush, hush, hush, hush
Dj turn it up making hush I'm begging for more
Whoa, dance floor
No one like it rough, make it...
Whoa, dance floor, dance floor
Dance floor, dance floor
Hush hush, hush hush

Boy, it's getting late, we're getting faded
Spinning round, let's get sedated
Dj please keep it coming
And shut your mouth,
Let's talk with the bodies

Music comes... dance all night, don't say a thing
Just hush, hush, hush, hush, hush
... sound,... let the music take us over
Just hush, hush, hush, hush, hush
Dj turn it up making hush I'm begging for more
Whoa, dance floor
No one like it rough, make it...
Whoa, dance floor, dance floor
Dance floor, dance floor
Dance floor, dance floor
Dance floor, dance floor

Making little... dance floor
Get on the dance floor, burnt it up, dance floor
We could live or die on the dance floor
... shut your mouth
Turn this shit up

Dj turn it up making hush I'm begging for more
Whoa, dance floor
No one like it rough, make it...
Whoa, dance floor, dance floor
Dance floor, dance floor
Dance floor, dance floor
Dance floor, dance floor
