It ain't no use to sit and wonder why, babe  
If you don't know by now  
Ain't no use to sit and wonder why, babe  
It don't matter, anyhow  
When your rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason I'm trav'lin' on  
Don't think twice, it's all right

Ain't no use in turnin' on your light, babe  
That light I never known  
Ain't no use in turnin' on your light, babe  
I'm on the dark side of the road  
I wish there was some you would do or say  
To try to make me change my mind and stay  
We never did too much talkin' anyway  
Don't think twice, it's all right

Ain't no use in callin' out my name, babe  
Like you never did before  
Ain't no use in callin' my whole name, babe  
I can't hear you any more  
I'm a-thinkin' and a-wond'rin' all the way down the road  
You once loved a woman, a child you know  
I gave you my heart but you wanted my soul  
Don't think twice, it's all right

I'm walkin' down that long, lonesome road, babe  
Where I'm bound, I can't tell  
But goodbye is just too good a word, babe  
So I'll just say fare thee well  
I ain't sayin' that you treated me unkind  
You could done better but I don't mind  
You just kinda wasted my precious life  
But don't think twice, it's all right
