oh-oh oh-oh
oh-oh oh-oh

I'm sipping gossip
Holiday Glitz
Young Guns and Hollywood
It's such a trip
Yea you inspire me
My curiosity
I'm feeling tipsy
I need to stop and sober up

Dancing under the influence of you
Yes I'm ticked so what cause it feels good

You, you, you
Intoxicate me
You, you, you
You cloud my mind

Like a dirty martini
Spinning me around and round and round

Lovin' you is like, D.U.I.
Lovin' you is like, D.U.I.
Lovin' you is like, D.U.I.
D.U.I.
oh-oh oh-oh

See lots of snacks here
I need a meal
Oh baby feed me
I'm hungry from all this
Gyration
I'm losing patience
I'm feeling tipsy
I need to stop and sober up

Dancing under the influence of you
Yes I'm ticked so what cause it feels good.

You, you, you

You got me loaded
You, you, you

You light me up

Like cherry brandy exploding
Never get enough (no, no, no)

Lovin' you is lie, D.U.I.
Lovin' you is like (Lovin' you is like)
Lovin' you is like, D.U.I.

D.U.I.
oh-oh-oh-oh

Ohhh-ohhh-ohhh-ohhh
Ohhh-ohhh-ohhh-ohhh

Guess I tied one on too tight
Gonna pay for it tonight
(Gonna pay tonight)

You, you, you
Intoxicate me
You, you, you
You cloud my mind

Like a dirty martini
Spinning me around and round and round (round and
round)

D.U.I. (oh-oh)
D.U.I. (lovin' you is like)
D.U.I. (lovin' you is like)

Lovin' you is like, D.U.I.
Lovin' you is like, D.U.I.
Lovin' you is like, D.U.I.

D.U.I. (spinning me around)
oh-oh-oh-oh
(D.U.I.)
