Verse 1:

What in the world brings you to your knees?
Gets under your skin and soul
Inside the place where your cant see
But some how the visions known?
Cause when you uncover the simple truth, it's stranger
the fictions told
It's when you hear when your heart, heart
It's the one when the world gets cold
Know whatcha thinkin' there lies the reason

Chours:

Take it from a
Former over exposed blonde
Understand before it's gone
Take it from a
Former over exposed blonde
I know what you really want
The more I am, the more I give, the more I love, the
more I live
Take it from a former over exposed blonde

Huff huff huff huff huff huff

I'm learning to breathe

*Huff huff huff huff huff huff

I'm learning to breathe

Verse:

No one can who you are
Turn you into what your not (in to what your not)
Less in the world in make believe
Sometimes temptation is all you got
(your all you got)
I am learning to breathe (I'm learning to breathe)
I'm finally free (finally free)
I'm starting to see it
That there is more to life then getting what you want
Then wanting all you have (wanting all you have)

Chours:

Take it from a
Former over exposed blonde
Understand before it's gone
Take it from a

Former over exposed blonde
I know what you really want
The more I am, the more I give, the more I love, the
more I live
Take it from a former over exposed blonde

Verse:

Commutations, variations to a erotic way kayo tic,
invitation world
Conservancy, page 6 baby
Over dressing, under dressing
Glam obsessing girl
Manufactured from market ability

Expose,expose
Expose,expose
See what I got
Expose,expose
Expose,expose
Me all night

Chours:

Take it from a
Former over exposed blonde
Understand before it's gone

Take it from a
Former over exposed blonde
I know what you really want
Can't wait to see what happens next what to expect
For the rest of my life
Take it from a former over exposed blonde
Understand before it's gone

Take it from a
Former over exposed blonde
I know what you really want
The more I am, the more I give, the more I love, the
more I live
Take it from a former over exposed blonde

Yeah,yeah
Yeah,yeah
Yeah,yeah
Yeah,yeah
