I don't need you or your brand new Bendz
Or your boojy friends
I don't need love, looking like diamonds
Looking like diamonds

Get sleazy (8x)
I'mma get
Get sleazy, get sleazy
Get
Get sleazy, get sleazy
I'mma get
Get sleazy (3x)
Oh!

I don't need you or your brand new Bendz
Or your boojy friends
And I don't need love, looking like diamonds
Looking like diamonds (2x)

You can't imagine the imendity of the f*ck
Am I kidding about you money & man servant &
mansion you live in
And I don't wanna go places that my ladies can't get in

Just grab a bottle, some boys & let's take it back to my
basement
And get sleazy

Sick of all your lines
So cheesy!
Sorry daddy, but I'm not that easy
I'm not gonna sit here while you circle jerk it & work it

I'mma take it back to where my man & my girls is

Sleazy, get sleazy, get sleazy, get sleazy
'Cause I'mma get sleazy
Get sleazy (3x)
'Cause I'mma get

I don't need you or your brand new Bendz
Or your boojy friends

And I don't need love, looking like diamonds
Looking like diamonds (2x)

Rat ta tat tat on your dum drum
The beat so phat, gonna make me cum, um, um, um
(Over to your place)

Rat ta tat tat on your dum dum drum
The beat so phat, gonna make me cum, um, um, um
(Over to your place) (2x)

I don't mean to critique on your seduction technique
But your money's not impressing me, it's kinda weak

That you really think your gonna get my rocks off!
Get my top & socks off!

But showing me them dollas in your drop box
Me & all my friends we don't buy bottles, we bring 'em
We take the drinks from the table when you get up &
leave 'em

And I don't care if you stare, and you call us dummy
'Cause we ain't after your affection
And sure all hell not your money, honey

I don't need you or your brand new Bendz
Or your boojy friends
And I don't need love, looking like diamonds
Looking like diamonds (2x)

Rat ta tat tat on your dum dum drum
The beat so phat, gonna make me cum, um, um, um
(Over to your place) (2x)
