This song makes me wanna have sex in my car, uh

[Hook:]

Wham bam, thank you, man
Get inside my ****ing gold trans am
Wham bam, thank you, man
Get inside my ****ing gold trans am

Pull over sucker, now spread 'em
Lemme see what you're packin' inside that denim
Pedal to the medal, looking straight amazing
I can't help all the hell that I'm raising

Stopping traffic like an ambulance
Tryna get my hands in your worn down pants
Hey, Skynyrd t-shirt tight, baby, need a ride?
I'm the captain of this ship, so shut up and get inside

[Chorus:]

Come on, climb into my golden cockpit
Love you 'till you're seeing stars and stripes
Burning rubber on the southern highway
Gonna take you for a freedom ride
Get inside!

[Hook]

Wham bam, thank you, man
Get inside my ****ing gold trans am
Wham bam, thank you, man
Get inside my ****ing gold trans am

Your sweet ass mullet caught my eye
Now you got me jonesing for a moustache ride
Twenty bucks and a switchblade knife
American metal with a devil inside

Daisy dukes showing off my ass
And when I walk past give the boys whiplash
Hey, you, Skynyrd t-shirt tight, baby, need a ride?
I'm the captain of this ship, so shut up and get inside

[Chorus]

Come on, climb into my golden cockpit
Love you 'till you're seeing stars and stripes
Burning rubber on the southern highway
Gonna take you for a freedom ride
Get inside!

Freedom ride
Get inside!

[Chorus]
Come on, climb into my golden cockpit
Love you 'till you're seeing stars and stripes
Burning rubber on the southern highway
Gonna take you for a freedom ride
Get inside!
