Verse 1:

Ya know
In this relationship
Ya know
It's time for me to say how it is
I hope
It's alright with you
To refer to me
From now on
As your Majesty

(Chorus:)

You say you like my cape and crown
So I might let you hang around
Just bow your head
Get on your knees
It's good
Good to be queen

Verse 2:

If you
Obey my every need
Ya know
Maybe one day you could be king
But don't
Think that it's garroted
It's not clear
To me
That your fit for royalty

(Chorus:)

You say you like my cape and crown
So I might let you hang around
Just bow your head
Get on your knees
It's good
Good to be queen

Verse:

Say your mine
An kiss my ring
Pay your dear respect to me
Worship me on my throne
Or you'll find yourself
ALONE!

(Chours:)
You say you like my cape and crown
So I might let you hang around
Just bow your head
Get on your knees
It's good
Good to be queen

Good to be
Good to be
Queen
