Last night I had enough of you  
I put on the brakes  
And I can tell you took it hard  
It was all over your face

That you were slippin' and flippin'  
But here is the sitch  
I signed up for a man  
But you are just a bitch

You should know  
That I love you a lot  
But I just can't date  
A dude with a vag

When we fell in love  
You made my heart drop  
And you had me thinking  
'Bout you non-stop

But you cry about this  
And whine about that  
When you grow a pear  
You can call me back

Yeah, I think you're hot  
I think you're alright  
But you're acting like a chick  
All the time

You were cool and now  
You're not just like that  
When you grow a pear  
You can call me back

When I first met you, panties droppin'  
Every time I saw you it was on and  
One day you asked if we could just talk  
That's the reason why I'm walking

If I am honest, I'm just not hooked on your phonics  
I'm not trying to be rude or crude

I just wanted one thing from you  
And you got confused

You should know  
That I love you a lot  
But I just can't date  
A dude with a vag

When we fell in love  
You made my heart drop  
And you had me thinking  
'Bout you non-stop

But you cry about this  
And whine about that  
When you grow a pear  
You can call me back

Yeah, I think you're hot  
I think you're alright  
But you're acting like a chick  
All the time

You were cool and now  
You're not just like that  
When you grow a pear  
You can call me back

When you grow a pear  
You can call me back  
When you grow a pear  
You can call me back

Grow a pear  
You can call me back  
When you grow a pear  
You can call me back

Grow a pear, you can call me back  
And no, I don't want to see your mangina  
When you grow a pear  
You can call me back

When we fell in love  
You made my heart drop  
And you had me thinking  
'Bout you non-stop

But you cry about this  
And whine about that  
When you grow a pear

You can call me back

Yeah, I think you're hot  
I think you're alright  
But you're acting like a chick  
All the time

You were cool and now  
You're not just like that  
When you grow a pear  
You can call me back
