Oh, oh, oh
Oh, oh

Hey, na na
There's a ghost under the table
Hey, na na
I swear I heard him say your name out loud
(I swear I heard say your name)
Hey, na na
Where'd you find those little cracks at?
Hey, na na
Bet you thought you could get passed by now
(You thought you could get passed me)
Hey, na na na na na!

Don't let your heart fall out
It's the only thing you got
Don't let your faith fall down
Fall down, down

Don't lose that only you sound
That nobody has got
Through the losses and found
And the turn arounds

Don't let your heart fall out
Fall out, out
Don't let your heart fall out,
Fall out out out out

Hey, na na
I can see you from the back seat
Hey, na na
Don't you think can get it past me now (now, now, now)
Hey, na na
I can hear it when your speaking
Hey, na na
Why do you cry when you are sleepin now?
Hey na na na na na na

Don't let your heart fall out
It's the only thing you got

Don't let your fate fall down
Fall down, down

Don't lose that only you sound
That nobody has got
Through the losses and founds
And the turn arounds

Don't let your heart fall out
Fall out, out
Don't let your heart fall out
Fall out out out out

Don't let your heart fall out
Fall out, out
Don't let your heart fall out
Fall out out out out

(You call it love, love)
(You call it, call it love)
(You call it, call it love)
(Love call it call it love)
You call it love, love
You call it, call it love
You call it, call it love
Love call it call it love!

Don't let your heart fall out
It's the only thing you got
Don't let your fate fall down
Fall down, down

Don't let that only you sound
That nobody has got
Through the losses, and founds
And the turn arounds

Don't let your heart fall out
It's the only thing you got
Don't let your fate fall down
Fall down, down

Don't let that only you sound
That nobody has got
Through the losses, and founds
And the turn arounds

Don't let your heart fall out!

*It's "Dont Let Your Fate Fall Down"
