[Intro]:

Hey.

[Verse 1]:

Smooth, slick.

I almost got away with it.

But I missed a little bit of appetite.

Should I have washed away my finger prints?

La la la, la la.

You trusted me, but it was all a lie.

Busted, and I don't have an alibi.

And I've been caught red handed.

Okay, damn it.

[Chorus]:

I killed cupid,

Now you know,

Now you know,

Now you know.

I had to shoot him,

Down you know,

Down you know,

Down you know.

I've got my problems solved,

And I don't feel bad at all.

Yeah-hey.

[Verse 2]:

I couldn't keep it all together,

When he gets messing with my confidence.

Uh-oh. (oh, oh, oh, oh)

This is getting too intense.

La la la, la la.

So go on and go and head out the door,

Cause you don't have to like you did before.

You can thank me later,

Did us both a favor.

[Chorus]:

I killed cupid,
Now you know,
Now you know,
Now you know.
I had to shoot him,
Down you know,
Down you know,
Down you know.
I've got my problems solved,
And I don't feel bad at all.

[Bridge]:
Let it go,
Oh why do you wanna carry your gun?
Let it go,
Why do you gotta hate me just because?

[Chorus]:
So,
I killed cupid,
Now you know,
Now you know,
Now you know.
I had to shoot him,
Down you know,
Down you know,
He had to go.
I've got my problems solved,
And I don't feel bad at all.

[Outro]:
Yeah.
No,
No, no, no.
