I was to young to get in so I stood by the
backdoor where the band goes in
that's when i saw him,.....

Oh my god .
is that really you been
id do anything to get in

Chours:

So I made out with a rock star
last night at the slow bar

I've given up on you high school boys

but up on stage , his blue
eyes can see his willing fans
He's like a God who makes me weak
His First pick and it was me

I made out with a rockstar yeah
I made out with a rockstar
I made out with a rockstar yeah
I made out with a rockstar

Star, Star, Star

Verse 2:

Wasted to much precious time
On chasing stupid high school guys
Thieve had their last chance

I wasn't good enough for them
Well I was good enough to kiss last night

He gave me his new CD
Got me backstage I still can't believe

That...

I made out with a rock star
last night at the slow bar

I've given up on you high school boys

but up on stage , his blue
eyes can see his willing fans
He's like a God who makes me weak
His First pick and it was me

I made out with a rockstar yeah
I made out with a rockstar
I made out with a rockstar yeah
I made out with a rockstar

Star, Star, Star

I made out with a rockstar
Last night at the slow bar
I've givin' up on these high school boys
