Sweet as a jizzabell dancing on your tongue
Like a sugar rush buzz makes base feel numb

There's a line down the corner
Where the boys stand in order
With their pockets full of quarters
'Cause they're all so sprung

(Pre-Chorus)

So take off my boots, if you wanna get you some
Show me some of them moves, let's get dumb

(Chorus)

You gotta work, on me, tonight (Male voice: work, work, work, work)
You gotta work, to taste, what's ripe (Male voice: work, work, work, work)

Don't make me wait don't change alone
You gotta step it up or sleep alone

You gotta work on me, tonight (Male voice: work, work, work, work)

'Cause I taste like a cherry
Oh I taste like a cherry
Oh I taste like a cherry
On the beat your cherry on top
Oh I taste like a cherry
Oh I taste like a cherry
Tongue tied, stem in a knot
I'll be your cherry on top

(Verse 2)

'Cause I'm rough like jockie going down on the rocks
Do you talk the talk or do you walk the walk
I'm Elvis, bitches I rock around the clock
(Tennessee, on your ass) stop

(Pre-Chorus)

So take off my boots, if you wanna get you some
Show me some of them moves, let's get dumb

(Chorus)

You gotta work, on me, tonight (Male voice: work, work, work, work)
You gotta work, to taste, what's ripe (Male voice: work, work, work, work)

Don't make me wait don't change alone

You gotta step it up or sleep alone

You gotta work on me, tonight (Male voice: work, work, work, work)

'Cause I taste like a cherry

Oh I taste like a cherry

Oh I taste like a cherry

On the beat your cherry on top

Oh I taste like a cherry

Oh I taste like a cherry

Tongue tied, stem in a knot

I'll be your cherry on top

(Bridge)

You give me thrills, so take a bite

Under my skin, must savor love

Let's knock some shit over

Like we've never been sober

Come into my kitchen, feed you pie

(Chorus)

'Cause I taste like a cherry

Oh I taste like a cherry

Oh I taste like a cherry

Make me your cherry on top

Oh I taste like a cherry

Make me your cherry on top

Oh I taste like a cherry

Oh I taste like a cherry

Tongue tied, stem in a knot

I'll be your cherry on top

I'll be your cherry on top

(Ending)

Cherry cola, (Male voice: cherry cola)

Cherry pop, (Male voice: cherry pop)

You wanna little sip, (Male voice: taste like a cherry)
A little taste of love (Male voice: oh it tastes so hot)
Cherry cola, (Male voice: cherry cola)
Cherry pop, (Male voice: cherry pop)
You wanna little sip, (Male voice: taste like a cherry)
A little taste of love (Male voice: oh it tastes so hot)
Cherry cola, (Male voice: on your red motorcycle)
Cherry pop, (Male voice: in your red hot pants)
You wanna little sip, (Male voice: taste like a cherry)
A little taste of love (Male voice: oh it tastes so hot)

Cherry cola, (Male voice: lights turn red)
Cherry pop, (Male voice: red money)
You wanna little sip, (tie me up with that lace)
A little taste of love (standing in the red ring)
Cherry cola, cherry pop
You wanna little sip, a little taste of love
