This words inside my head
Taking over, taking me instead.
Should of done that,
Maybe should of done this.
Could have been there,
Maybe such a close mess.
You hit me like a freight train,
Hit me like a boxer.
Bullet to the brain, and baby Ima talker.

But you got me breathless. speechless.
Now, I just can't spit it out.

So, wrote it down.
Something like a love song.
I wrote it down.
The words keep leading me apart.
I gotta get it out, Out without a sound.
'Cause here in my head, I'm talking out loud.

Watch, my body lines,
My secret language.
Telling you that I'm a bit outrageous.
Is it clear that just a taste, It would feel so!
But you'll never know, I'll never tell.
How bad I want what you wear so well.
My tongue is twisted 'round my neck
And I just can't spit it out.

So, wrote it down.
Something like a love song.
I wrote it down.
The words keep leading me apart.

I gotta get it out, Out without a sound.
'Cause here in my head, I'm talking out loud.

Here in my head, I'm talking out loud, yeah.
Here in my head, I'm speaking out loud.
Here in my head, I can't do without.. Yeah,

Here in my head.

Here in my head.

(Ahhh, ahh. ah ha.)

(ahh. ah ha.)

(Ahhh, ahh. ah ha.)

So, wrote it down. (I wrote it down)

Something like a love song.

I wrote it down. (I wrote it down)

The words keep leading me apart.

I gotta get it out, (Get it out)

Out without a sound.

'Cause here in my head, I'm talking out loud.

So, wrote it down. (I wrote it down)

Something like a love song.

I wrote it down. (I wrote it down)

The words keep leading me apart.

I gotta get it out, (Get it out)

Out without a sound.

'Cause here in my head, I'm talking out loud.
