Perhaps you didn't notice me  
I'm invisible I can't be seen  
Maybe I'm just not like everyone  
I fade a little more each day,  
Nothing to give, no less to say  
It's hard to feel when all you feel is numb

I keep looking at you  
Keep looking right through  
Like I'm invisible  
Who do I have to be  
Before you notice me?  
I must be invisible  
I am invisible

Nothing's real and nothing matters  
Fell apart the pieces scattered  
I could disappear without a trace  
I'm all around but can't get in,  
I'm on the outside looking in,  
Like the wind I'll blow you all away

I keep looking at you  
Keep looking right through

Like I'm invisible  
Who do I have to be  
Before you notice me?  
I must be invisible  
I am invisible

You make me glad and I just can't believe you didn't  
see the sunlight  
So I find the miserable who's never gonna hit me with a  
cry

I am invisible  
I am, I am, I am  
I am invisible  
I am, I am, I am

I keep looking at you

Keep looking right through  
Like I'm invisible  
Who do I have to be before you notice me?  
I must be invisible  
I am invisible
