When I met you boy, yeah I got you
Said you wanted me to roll with you oh,
And I, I said: alright

...But now you started asking for details,
'Where was I 'till three,' call me all day long
Come on...I'm not yours, to own

Wh-Wh-Wh-Why you asking things you don't need to
know?
Ch-Ch-Ch-Checking with my girls, looking through my
phone
I want to take this slow
So just leave it, leave it alone

Leave it, leave it alone (x4)

Y-Y-Y-You're not my man no, you're not my man yes,
And if you act like this baby I'll forget you
I'm not ready yet

You-You-You-You were not the first, might not be the
last

Gunna break your heart, if you move too fast
Then you'll 'beat' on your own
So just leave it, leave it alone

Leave it, leave it alone (x4)

Here-Here-Here-Here we go again with the questions...
I'm-I'm-I'm a girl that needs my independence
No-No-No, I can't be with you every second
Le-Le-Le-Leave it alone

Wh-Wh-Wh-Why you asking things you don't need to
know?
Ch-Ch-Ch-Checking with my girls, looking through my
phone
I want to take this slow
So just leave it, leave it alone

Leave it, leave it alone (x4)
