Let the music take you high
'cause the party aint gonna stop till daylight
Oooo oooo
Could ya keep it bumpin all night
Let the music take you high
Let the record spin until the daylight

Lets get this party jumpin', the music is pumpin',
Its been a long day, bouts ta start
My weekend
Have fun tonight! yaaa (have fun) got my click at my
side
Gonna take it up a notch tonight gonna tear this place
up until the daylight
Everybody's out to play
See some faces from around the world
Gonna have a good time tonight
Let the music take you
Let the music take you high
'cause the party aint gonna stop untill daylight

Could ya keep it bumpin all night Let the music take you
high
Let the record spin until the
Daylight
