[CHORUS]

I hear your heart beat to the beat of the drums
Oh, what a shame that you came here with someone.
So, while you're here in my arms, let's make the most
of the night
Like we're gonna die young.
We're gonna die young,
We're gonna die young.
Let's make the most of the night like we're gonna die
young.

Young hearts, out our minds
Running the we out of time
Wild child's looking good
Living hard just like we should.
Don't care who's watching when we tearing it up (You
know)
That magic that we got nobody can touch (For sure)

We're looking for some trouble tonight (Yeah)
Take my hand, I'll show you the wild side
Like it's the last night of our lives
We'll keep dancing till we die.

[CHORUS]

Hunks taking shots, stripping down to dirty socks.
Music up, getting hot
Kiss me, give me all you got.
It's pretty obvious that you got a crush (You know)
That magic in your pants, it's making me blush (For
sure)

We're looking for some trouble tonight (Yeah)
Take my hand, I'll show you the wild side
Like it's the last night of our lives
We'll keep dancing till we die.

[CHORUS] x2
