(Party time)

Go on, go on

Come on, come on

Party time everyday

Kill the lights, celebrate

Locked and loaded, loaded, loaded

Loaded on life

DJ killing it

Losing it like we care

Locked and loaded, loaded, loaded

Loaded on life

We want to watch the sun come up

I want to taste your magic tongue

Lalala

Lost weekend (weekend)

Lalala

Lost weekend (weekend)

Let's get twisted with our friends

Lalala

Lost weekend (weekend)

(Lalala)

Glitter and making out

Bubble gum in my mouth

Locked and loaded, loaded, loaded

Loaded on love

Out of mind in the end

We're animals in the the ends

'Cause we're loaded, loaded, loaded

Loaded on love

We want to watch the sun come up

I want to taste your magic tongue

Lalala

Lost weekend (weekend)

Lalala

Lost weekend (weekend)

Let's get twisted with our friends
Lalala
Lost weekend (weekend)
(Lalala)

Breaking into parties
Waking up in bathtubs
Bottles in my backpack
Fuck the silly nightclub
Groping all the rock stars
Livin up, party on
Because too much, too much
Is never ever enough

(x2)
Lalala
Lost weekend (weekend)
Lalala
Lost weekend (weekend)
Let's get twisted with our friends
Lalala
Lost weekend (weekend)
Lalala

(x2)
Oh oh oh
Ready to go
Oh oh oh
Ready to go
Oh oh oh
Do it again
Oh oh oh
Lost Weekend
