[Verse 1]:

I met you when you were drunk,
You thought we'd just have a funk.
Boy, I'm about to fuck you up.
Baby, I hope you're into dirty talk.
Late night, all night bootycalls.
Been up taken by your love.

[Chorus]:

Baby,
I know you thought we could have a casual,
Sexual kind of thing.
I already told you my love is a drug,
Boy you're about to OD.
Machine gun love you as for this.
I lace my kiss with poison.
Machine gun love you never thought,
I'd eat your heart out of you.
While you said you were not the,
Kind of guy to fall in love.
Well, now look how things have changed.
Machine gun love you as for this.
I've got you now,
Thought you'd win.
Oh, win my machine gun.

[Verse 2]:

I don't think you understand,
I'm good up until I run.
I get off when shit gets out of hand.
Oh baby.
But I swear I'm a pussycat,
So sweet until I attack.
I got you, is that too much to ask?

[Chorus]:

Oh baby,
I know you thought we could have a casual,
Sexual kind of thing.
I already told you my love is a drug,
Boy you're about to OD.

Machine gun love you as for this.
I lace my kiss with poison.
Machine gun love you never thought,
I'd eat your heart out of you.
But I swear I'm a pussycat,
So sweet until I attack.
I got you, is that too much to ask?

[Chorus]:

Oh baby,
I know you thought we could have a casual,
Sexual kind of thing.
I already told you my love is a drug,
Boy you're about to OD.
Machine gun love you as for this.
I lace my kiss with poison.
Machine gun love you never thought,
I'd eat your heart out of you.
While you said you were not the,
Kind of guy to fall in love.
Well, now look how things have changed.
Machine gun love you as for this.
I've got you now,
Thought you'd win.
Oh, win my machine gun.

[Bridge]:

Machine gun love.
Oh, oh, oh!

[Chorus]:

Machine gun love you as for this.
I lace my kiss with poison.
Machine gun love you never thought,
I'd eat your heart out of you.
While you said you were not the,
Kind of guy to fall in love.
Well, now look how things have changed.
Machine gun love you as for this.
I lace my kiss with poison.
Machine gun love you never thought,
I'd eat your heart out of you.
