Verse 1)

At the spring water on the west end
Sippin' on somethin' & I saw you strummin' through the
lost and the lovers we locked eyes
Up on stage you're so fun
Was it the way u were lookin' at me
Or the scar on your pretty face
Maybe your tight black jeans boy I want a taste boy I
want a taste (boy I want a taste,oh)

(Pre-Chorus)

If u really wanna know what got me
What's said let's go I don't wanna stop
It was your (microphone)
Let me put it into words what got me
Off made me into a freak what I really want
It was your (microphone)

(Chorus)

Microphone boy,it was your microphone (microphone)

Get back in your Gibson all pretty& grey
Put those fingers on me, I want it all the way

(Pre-Chorus)

But if you really wanna know what got me
What's said let's go I don't wanna stop
It was your (microphone)
Let me put it into words what got me
Off made me into a freak what I really want
It was your (microphone)
