How do you do it?
How do you do these things to me
You're like a magician,
I can tell you got tricks up your sleeve.
You're like a bullfighter.
You got me feelin all wild up and feisty
Like a pro rocker
You make me want to break things.

How do you do it do it do it do it?
How do you do it do it do it to me?
You make me feel inarticulous
You make me feel a million different things
You make me into a crazy crazy girl.
Girl. girl. crazy girl.

I need a straitjacket
Whenever I get around you
Cuz you're like a magnet
I can't help it, I have to touch you!
A dirty pirate,
That's what I love about you.

Now don't feel worthy, You give me something to bow
down to.how do you do it do it do it do it?
How do you do it do it do it to me?
You make me feel inarticulous
You make me feel a million different things
You make me into a crazy crazy girl.
Girl. girl. crazy girl. girl girl girl!

You make me act a little insane.
You impair my judgment,
You affect my brain like a
Hallucinogenetic amphetamine.
You really know how to get to me!

How do you do it do it do it do it?
How do you do it do it do it to me?
You make me feel inarticulous
You make me feel a million different things
You make me into a crazy crazy girl.

Girl. crazy crazy girl.
