You'll never know 'bout love  
You'll never know 'bout love  
You'll never know 'bout love  
'Till you try, wanna try?

You'll never know 'bout love  
You'll never know 'bout love  
You'll never know 'bout love  
'Till you try, wanna try?

Trashy boy digging my scruffy face  
You got my body moving scratching your shitty base  
You know you're warning, warning, going to waste  
Meet me, side street, New York City, rewind

You're, you're, you're (trashy)  
A trashy boy (I'm a trashy boy)  
You're, you're, you're (trashy)  
A trashy boy (wanna try?)

I want to rendezvous with you  
I want to rendezvous with you

Misfit, looking like a communist  
You're just a bad habit, kicking myself to kick  
You got to keep it down and make it quick  
I'll be your kitten and lap you up  
Like you're a bowl of cream

You're, you're, you're (trashy)  
A trashy boy (I'm a trashy boy)  
You're, you're, you're (trashy)  
A trashy boy (wanna try?)

You'll never know 'bout love  
You'll never know 'bout love

You'll never know 'bout love  
'Till you try, wanna try?

You'll never know 'bout love  
You'll never know 'bout love  
You'll never know 'bout love  
'Till you try, wanna try?

You're, you're, you're (trashy)  
A trashy boy (wanna try?)  
You're, you're, you're (trashy)  
A trashy boy (wanna try?)

You're, you're, you're (trashy)  
A trashy boy (wanna try?)  
You're, you're, you're (trashy)  
A trashy boy (wanna try?)

You're, you're, you're (wanna try?)  
A trashy boy (wanna try?)  
You're, you're, you're (wanna try?)  
A trashy boy (wanna try?)
