Why are you looking at me?
Why are you staring at me?
I think you better turn around before I kick your knee
So you think you can just stand there do
Nothing what so ever
Nothing what so ever
Nothing what so ever now
Nothing what so ever
Maybe they want me
Maybe they need me
I don't know but I can't explain

OOOOOH!
Because there's
Nothing what so ever
Nothing what so ever
Nothing what so ever now
Nothing what so ever
You know all this time I thought that I don't need things
now
But still nothing!
Nothing what so ever
Nothing what so ever
Nothing what so ever now
Nothing what so ever Wahoo
