"Old Flames"

Downtown tonight, I saw an old friend someone who
I used to take comfort from, long before I met you
I caught a spark from his eyes a forgotten desire
With a word or a touch, I could have rekindled that fire

But old flames, can't hold a candle to you
no one can light up the night like you do
Flickering embers of love, I've known one or two
But old flames, can't hold a candle to you

Sometimes at night I think of old lovers I've known

I remember how holding them, helped me not feel so
alone
Then I feel you beside me and even their memories are
gone
Like stars in the night, lost in the sweet light of dawn

But old flames, can't hold a candle to you
no one can light up the night like you do
Flickering embers of love, I've known one or two
But old flames, can't hold a candle to you
