[Verse 1:]

Couldn't help it when we met,  
I was playing hard to get.  
But one look and that was it.  
Now it doesn't matter.  
Drinking wine on the cement,  
Outside 7-11.  
Fell in love on accident,  
Now it doesn't matter.

[Hook:]

You got to me,  
You saw through me,  
You're in for it now.

[Chorus:]

You're all I wanna do.  
I only wanna dance with you.  
Whatever I got to do.  
I want you to myself tonight,  
All right.  
I only wanna dance with you.

[Verse 2:]

Used to being on the road,  
Crazy nights and playing shows.  
Used to dancing all alone,  
Now it doesn't matter.  
Since you got a hold of me,  
I'm talking about you in my sleep.  
What the hell did you do to me?  
Oh, it doesn't matter.

[Hook:]

I fell for you, yeah  
Boy you're so screwed, so  
You're in for it now.

[Chorus:]

You're all I wanna do.  
I only wanna dance with you.  
Whatever I got to do.

I want you to myself tonight,  
All right.  
I only wanna dance with you.

Just wanna dance with you.  
Just wanna dance with you.  
Just wanna dance with you.  
Uh, uh, oh-oh.

Just wanna dance with you.  
Just wanna dance with you.  
Just wanna dance with you.  
Uh, uh, oh-oh.

[Chorus:]  
You're all I wanna do.  
I only wanna dance with you (only wanna dance with  
you.)  
Whatever I got to do.  
I want you to myself tonight (tonight),  
All right (all right).  
I only wanna dance with you.

Just wanna dance with you.  
Just wanna dance with you.  
Just wanna dance with you.  
Uh, uh, oh-oh.

Just wanna dance with you.  
Just wanna dance with you.  
Just wanna dance with you.

I only wanna dance with you.
