Whaa?

Ba ba ba ba

Ba ba ba ba

Ba ba ba ba

Verse 1:

All of the gold

Have melted an turn ta stone

That cha shine to see

All that we've made is just a year down the drain

Such a waste (such a waste)

Clearly

Wait a minute

I can see what's going on

Wait a minute

A chance to free oh

Chours:

The problem is there's nothing here

But a one way, to our last day

I fly right through an over you

On my tear stain (on my tear stain)

Paper Airplane

Ba ba ba ba

Ba ba ba ba (paper airplane)

Verse 2:

The second ta see

Has left me in disbelief

It was all (it was all) about you

Your just so caught up

Boy you aint met enough always,

Playin' to cool

Wait a minute

I can see what's going on

Wait a minute

A chance to free oh

Chours:

The problem is there's nothing here  
But a one way, to our last day  
I fly right through and over you  
On my tear stain (on my tear stain)  
Paper Airplane

The problem is there's nothing here  
Left to explain (to explain)  
We are crashing (are crashing)

I fly right through and over you  
On my tear stain (on my tear stain)  
Paper Airplane (paper airplane)

Ba ba ba ba (paper airplane)  
Ba ba ba ba

Verse:

I just don't know why? You treat me like that  
Steppin on my heart, I I've become a doormat  
Just tryin to find the black of the cash  
I just can't give a damn of the glam and the fame  
Don't give a damn what comes out cha lips  
Baby take a walk and I'll blow you a kiss  
See in don't you wish you could get whatcha missed  
I can't say that I can you I that I could give ya  
Shhh...

Chorus:

The problem is there's nothing here  
But a one way, to our last day  
I fly right through and over you  
On my tear stain (on my tear stain)  
Paper Airplane  
The problem is there's nothing here  
Left to explain (to explain)  
We are crashing (are crashing)

I fly right through and over you  
On my tear stain (on my tear stain)  
Paper Airplane (paper airplane)

The problem is there's nothing here  
But a one way, to our last day  
I fly right though and over you  
On my tear stain (on my tear stain)  
Paper Airplane  
The problem is there's nothing here  
Left to explain (to explain)  
We are crashing (are crashing)
