My best friend Sarah went to Europe for the summer  
My brother got kicked out of school  
bummer!  
Julianne got laid in the back seat of a hummer  
And got arrested  
Like Mel Gibson

I read  
In the trades  
That the NYSNC boy is  
No way!

But I threw up in Paris Hilton's closet  
I got drunk and totally lost it  
When i woke up, the first thing that I thought of was  
Oh my, check out  
Those hot Jimmy Choos!  
Hey Paris, did I lose it on that pair too?

Celebutons work in the glamarazzi  
Shoulda told my story to the tabloids, took the money  
Takes alot to get kicked out of these parties  
And almost get arrested  
Like Mel Gibson

I don't  
Recall it all  
But i got like fifty phone calls  
Oh my god is it true?!

I threw up in Paris Hilton's closet  
I got drunk and totally lost it  
When i woke up, the first thing that I thought of was  
Oh no Kesha!  
Those hot Gucci shoes!

Hey paris, did i lose it on that pair too?

Oh  
Of all the stupid things I've done  
I'm the proudest of this one  
But this one's the best!

I threw up in Paris Hilton's closet  
I got drunk and totally lost it  
When i woke up, the first thing that I thought of was  
Oh my Kesha  
Those hot Jimmy Choos!  
And those Manolos and Pradas and  
Chloes and your sparkly dresses

Hey Paris! I saw the saaaame stuff at Target

Hey Paris, whatcha gonna do?  
Watcha gonna do, watcha gonna do?  
(Come on Paris!)  
I totally lost it, la la la  
(You're not foolin' me anymore!)  
All over your closet, la la la  
(I saw the tag! I saw the tag!)  
Paris Hilton's closet!

I threw up in Paris Hilton's closet  
I got drunk(So drunk!)and totally lost it  
When I threw up in Paris Hilton's closet (Really?!)  
I got drunk and totally lost it

La la la  
Tra la la la la
