Shake that ass girl  
Filling up my glasses  
Staring at your assets  
Bat those long eye-lashes

It aint so nasty

The room comes alive  
When you all arrive  
Boys and girls memorized

It aint so nasty

You look so good  
You look so good  
Big hair, nice rack, high heels, sweet ass  
Boy you're such a pretty lady  
Fake nails, red lips, shaking those hips  
Boy you're such a pretty lady

Llady loyd and detox, champaign on the e-rocks  
Watch all the je-jaws drop

You look so fancy

Underground princesses  
Who's dressed up the bestest?  
Pushed up, perky presteses

Oh you look so fancy

You're so glamorous, So fucking fabulous

Big hair, nice rack, high heels, sweet ass  
Boy you're such a pretty lady  
Fake nails, red lips, shaking those hips  
Boy you're such a pretty lady

[Lady lloyd and detox]

You guys wanna party?

How much will it cost us?  
Come on girl  
Lets go get our hips done together in Mexico  
You wanna fuck around?  
Oh my god you can't take my beauty hahahaha  
Jealous  
Ooo shut the fuck up, I'm a real woman.

Big hair, nice rack, high heels, sweet ass  
Boy you're such a pretty lady  
Fake nails, red lips, shaking those hips  
Boy you're such a pretty lady

Big hair, nice rack, high heels, sweet ass  
Boy you're such a pretty lady  
Fake nails, red lips, shaking those hips  
Boy you're such a pretty lady

Shake that ass girl

[Lady Lloyd]  
I'm a real woman.
