La La La La La
Gross!
Lala La Lala Lala
OK, fuck it!
Oh oh oh yeah

Time to get the day going dressing up to the nines
Yo critter crew
(Say what?)
Make Princess Ke\$ha look fine
Add a little pinch of magic to my fairytale life
And off we go, oh-oh-oh-oh

Look in the mirror rub my eyes and what is this
Some genie slut smiling back
Suck it bitch!
Yo Mister Raccoon pass the Jack
I need to rinse
Prim it, trim it, dress it, mess it
Yeah now that my shit

Chorus:
I'm getting ready so nice-ice-ice
(Holla)
It's kinda cool I gotta ruin my voice
(Check this shit out!)
No mirror lady bitch can deny
I'm getting customized, customized, customized right
I'm getting ready so tampons up
What up, mouse?
Even with this wedgie riding up my butt
Thanks to Mister Crow you sneaky little fuck
I'm getting customized, customized, customized right
Karate ya!

Puh-lease bitch!
A touch of glitter on my cheek
Now the look is complete
